

Jon Emmett coaching at WPYC

Ahoy there ILCA Masters, announcing the coaching opportunity of a lifetime!

20 lucky ILCA Master sailors will be offered the opportunity to be coached by Jon Emmett, former world champion & Olympic gold medalist coach of the 2012 Laser Radial winner 'Golden Lily'.

Jon will be competing in the Australian ILCA Masters event at Western Port Yacht club in Victoria Feb 21-24, 2025.

Jon has offered to run a 2-day coaching camp prior to the event on Feb 18-19.

This is a unique opportunity because he hasn't sailed Western Port before. He will reveal his methods of how to figure out the tidal & geographic characteristics of a new location when you have limited time.

Ilca Vic will provide an additional coach to help Jon with the drills. This is all about optimizing your performance at this tricky location.

This camp is limited to 20 sailors only, first come first served! For more details & registration click here: <https://www.revolutionise.com.au/vilca/events/276781>
